

BALKAN
KALEIDOSCOPE

OBJECTIVE

Strengthening the understanding of Europe's shared history, common values and at developing respect, tolerance and appreciation of European diversity on the background of remembrance and deeper comprehension of Yugoslav Wars as well as its importance as a milestone in European integration efforts.

RESULTS

- Enhancing the comprehension among young people across Europe of the complex and sensitive issues of intercultural and interethnic dialogue
- Developing teachers' capacities for using multiperspectivity easy-to-use learning tools, personal testimonies and narrative fostering critical thinking
- Building common future European perspective and solidarity by enhancing the space for inter-cultural and inter-generational encounters
