

INCOME

INNOVATING COWORKING METHODS THROUGH EXCHANGE

OBJECTIVE

Improving the enabling conditions for fostering the youth employability by focusing specifically on the improvement of the co-working (space and method) as an effective tool to encourage youths' entrepreneurial spirit, boost their professional growth and facilitate opportunities for cooperation.

TIMESPAN
2017-2019

RESULTS

- Upgrading the practices, skills and capacities concerning the good management of co-working spaces
- Raising awareness on methods for supporting youth entrepreneurship and employability among a wider audience
- Raising a discussion on the alternative ways of promoting youth employment and empowerment
